Attorney Docket No. RAVIV2

OFFICE OF PETITIONS

ON PETITION

This is a decision on the petition under 37 C.F.R. § 1.137(b), filed February 28, 2007, to revive the above-identified application.

The petition is **GRANTED**.

The petition satisfies the conditions for revival pursuant to the provisions of 37 CFR 1.137(b) in that (1) the reply in the form of an Amendment; (2) the petition fee; and (3) the required statement of unintentional delay have been received. Accordingly, the response has been accepted as having been unintentionally delayed.

It is not apparent whether the statement of unintentional delay was signed by a person who would have been in a position of knowing that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional. Nevertheless, in accordance with 37 CFR 10.18, the statement is accepted as constituting a certification of unintentional delay. However, in the event that petitioner has no knowledge that the delay was unintentional, petitioner must make such an inquiry to ascertain that, in fact, the delay was unintentional. If petitioner discovers that the delay was intentional, petitioner must notify the Office.

The Power of Attorney and Change of Correspondence Address Indication Form submitted on February 13, 2007, is hereby not accepted as it did not include a Statement under 37 CFR 3.73(b), which is required when an assignee wishes to take action in an application. Petitioner may also submit any documentary evidence of a chain of title from the original owner to the assignee (e.g., copy of an executed assignment). The documents submitted to establish ownership may be required to be recorded pursuant to § 3.11 in the assignment records of the Office as a condition to permitting the assignee to take action in a matter pending before the Office. A courtesy copy will be mailed to the address listed on the petition. All future correspondence will continue to be directed to the above listed address until properly notified.

This matter is being referred to Technology Center 2600 for further examination on the merits.

Telephone inquiries regarding this decision should be directed to the undersigned at (571) 272-3206.
